PRESENTED BY 

Discover four interactive pop-up art installations on the festival grounds, created by Juxtaposition Arts and made possible by U.S. Bank. U.S. Bank is proud to invest in community partners that support access to arts, arts education and learning through play. Together, we can make Community Possible by providing more places to play.

Juxtaposition Arts develops the community by engaging and employing young urban artists in hands-on education initiatives that create pathways to self-sufficiency while actualizing creative power.
